GRAND BALLROOM

The new Grand Ballroom, located on the LL level of the hotel's annex building was designed by the Italian designer Guido Ciompi as a fusion of classic art and modern trends.

Designed with sheer elegance and balance in mind,

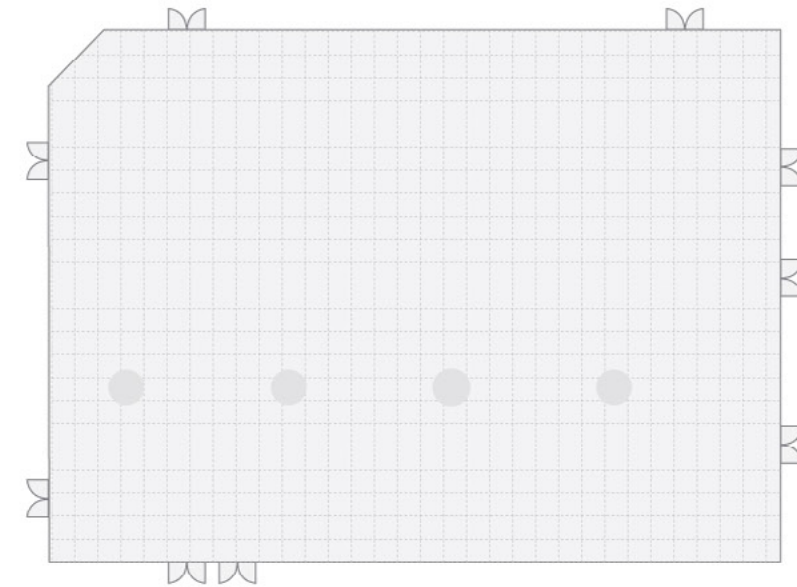

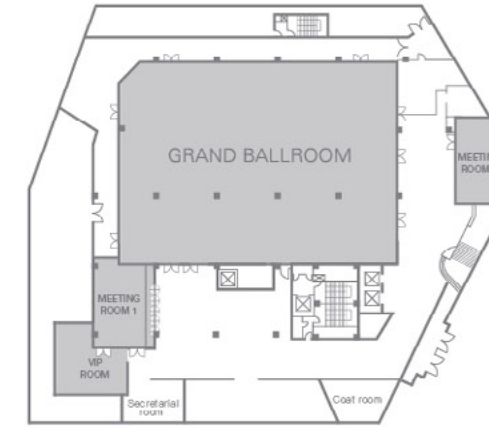

the foyer can serve as a reception area for a range of exhibitions and events.

The front part of the ceiling features RGB lighting to create a colorful ambience to match any occasion.

The new venue can be divided into separate function halls, depending on the size and purpose of the event.

With a separate reception area and a small event hall, the venue offers increased efficiency and privacy for events.
